

SPICER®

Spicer Life Series® (SPL®)

Light Vehicle U-Joints

**Shift into Peak Performance
with Spicer Life Series® (SPL®) U-Joints.**

Cold-forged from high-quality steel, Spicer Life Series (SPL) universal joints deliver the strength and durability that today's performance vehicles demand. Choose from two alternatives that deliver optimal friction reduction and higher temperature resistance: a greaseable u-joint or a non-greaseable option that is pre-lubricated for the life of the part. The synthetic thrust washer eliminates friction and end galling, preventing the heat that breaks down grease, while the multi-lip seal keeps that grease in—and contaminants out. It all adds up to all-out protection and a longer life for your driveshaft, and it's why Spicer Life Series (SPL) is the brand people trust.

Spicer Life Series® (SPL®) *Light Vehicle U-Joints*

Engineered for Reduced Wear and Longer Service Life.

You expect a lot from your vehicle, and Spicer Life Series (SPL) universal joints deliver. Spicer Life Series u-joints consistently outperform competitors, so you can hit the road or trail with confidence. Check out the difference that SPL u-joints can make in your vehicle, and make sure you're getting the longer life, increased bearing capacity and lower maintenance costs that Spicer Life Series (SPL) can provide.

Journal Cross

Engineered with a solid cold-formed body to ensure better wear and overall strength

Bearing Cups

Heat-treated for strength; precision-ground and case-hardened for durability

Thrust Washers

Eliminate metal-to-metal contact, prevent wear and lower the overall operating temperature

Multi-Lip Seal

Keep grease in and contaminants out, and get maximum retention in a wider range of environments. The multi-lip seal on the SPL u-joint includes a garter spring, seal guard and a needle spacer for optimal

Lubrication Options

Get longer life and lower maintenance costs for your universal joint with two lubrication options. Choose from a greaseable u-joint or a non-greaseable u-joint, which is pre-lubricated for the life of the part.

Spicer. The Most Trusted Name in Automotive Applications.

Spicer Life Series (SPL) universal joints deliver peak performance with lower maintenance, reduced operating costs and decreased vehicle downtime over the life of the vehicle. Every component has been engineered to give you a smoother ride and a longer life for your vehicle.
