

SPICER®

Spicer® Commercial Vehicle Medium-Duty Driveshafts for the Sprinter

Sprinter is a registered trademark of Mercedes-Benz.

Your Aftermarket Solution, Built with OE Quality.

Dana-manufactured 3-piece front and rear Spicer® driveshafts for the Dodge/ Mercedes-Benz® Sprinter provide the top performance, reliability and durability of original equipment (OE) products, in a virtually maintenance-free aftermarket solution.

Spicer® 3-Piece Driveshafts for the Dodge/Mercedes-Benz® Sprinter, the highest standards of engineering and manufacturing excellence.

Dana employs proprietary processes and vast technical expertise to manufacture superior OE-quality driveshafts. As the global leader in driveline technology, Dana delivers solutions that drive the aftermarket industry.

Fully tested to over 335,000 testing cycles

- Full torsional testing at high torque and low speed

Precisely manufactured and assembled on OE production equipment with stringent OE assembly procedures

- Reduces risk of failure
- Ensures the highest level of quality control

Driveshafts fully interchangeable with OE driveshafts

- Meet or exceed aftermarket driveshaft requirements

Rigorous balance testing

- Controlled high-speed balancing at 3,500 RPM
- Ensures that maximum durability, safety and performance are maintained long term, and under real-world conditions

Spicer driveshaft for the Dodge/Mercedes-Benz Sprinter features:

Spicer® Compact™ 2020 universal joints

- Maintenance-free triple lip seal
- Serviceable snap ring

Spicer® center bearings

- Included with driveshaft
- Interchangeable with OE components

Dana proprietary swage tube design

- Provides ultra-high strength at critical speeds
- Clearances calibrated to OE standards
- Perfect fit to vehicle
