Drivetrain Products from a Leader in Drivetrain Performance.

When it comes to repairing and maintaining vehicles, Spicer Select aftermarket drivetrain products by Dana go the extra mile to meet the unique needs of the aftermarket.

Product offerings include:

- **Spicer Select U-Joints:** Designed to handle the demands of commercial applications.
 - Standard u-joints help provide long life and deliver exceptional performance.
 - Service-free u-joints are permanently lubricated and sealed to provide reduced maintenance time and cost, promote ease of service, and extend u-joint life. Interchange for Meritor® Permalube™ RPL Series driveline parts.
- **Differential Carrier Bearing Kits:** Includes premium bearings, sealant, and adhesive — everything needed for a full, turnkey differential carrier rebuild.
- **Strap Kits:** Designed for a secure fit and durable retention to keep u-joints secure.
- **Center Bearings:** Constructed to maintain a proper driveline angle to maximize driveshaft and component life, reduce contamination, and provide longer part life.
