

## Spicer® Tubing Part Number Nomenclature

Dana provides genuine Spicer tubing to complement a complete driveshaft rebuild when using Spicer u-joints, center bearings, yokes, and hardware, or when using a Spicer ReadyPack™ preassembled kit. For a complete rebuilt driveshaft that's as good as or better than the OE parts it replaces, choose Genuine Spicer tubing.

Use the charts below to identify genuine Spicer® 10 Series and SPL® series tubes.

### Spicer® 10 Series

100	–	30	–	3	–	10000	
Diameter		Type		Information		Length	Bulk
