

SPICER®

Spicer® Commercial Vehicle **33-Inch Driveshaft Tubing** **3-Pack**

3-Packs Offer Convenience and Money Savings

Dana now offers 33-inch lengths of genuine Spicer® tubing in a 3-pack to save you time and money. Finished 33-inch Spicer tubes complement a complete commercial vehicle driveshaft rebuild when using Spicer u-joints, center bearings, yokes, and hardware, or when using a Spicer ReadyPack™ preassembled kit. With over 900 SPL® shafts requiring tubes that are 33" or less, Spicer delivers the tubing lengths you need and the quality you demand.

Discover a Simpler, More Efficient Rebuild

Get genuine performance from genuine Spicer® parts. Spicer 33-inch driveshaft tubing 3-packs are engineered to meet or exceed OE parts requirements.

Benefits of Spicer 33-Inch Driveshaft Tubing 3-Packs

- Save money: get 99" of tubing for 25% less than the price of 100" tubes
- Get the size you need: our range of options accommodates many popular inter-axle and coupling shafts
- Improved packaging
 - Square tube package for better stacking and storing vs. a cylinder
 - Enhanced product protection
- Convenient and easy to handle
- Less freight loss: smaller packages offer greater potential for secured shipping when organized onto pallets and/or shrink-wrapped
- Provides a complete driveshaft rebuild when paired with Spicer ReadyPack™ preassembled kits

Smaller packages offer greater potential for secured shipping pallets.

Driveshaft Tubing: Spicer 33-Inch 3-Packs

| Tubing Part # | Series | Long Description | Weight (lbs) |

| 120-30-5-3300B3 | SPL | 3 Piece Tubing Bulk Pack 5.118 x .197 | 95.99 |
| 120-30-6-3300B3 | SPL | 3 Piece Tubing Bulk Pack 5.196 x .236 | 113.01 |

Complete your Spicer ReadyPack™ Rebuild

These convenient 3-packs are an ideal complement to Spicer ReadyPack™ preassembled kits. Spicer ReadyPack™ kits offer streamlined ordering, reduced inventory, and a quantifiable savings compared to purchasing the kit components individually. Complete this efficient option with a 3-pack of 33" tubes and discover the simplified, more economical way to rebuild commercial driveshafts.
