Spicer Select™ Commercial Vehicle 404 Ring and Pinion Gearing

Purchase with Trust. Drive with Confidence.

Rebuild every differential with the confidence that comes from Dana engineering. Spicer Select™ 404 gearing performs nine times better than the aftermarket competition, and competitive pricing means it’s an ideal choice for post-warranty vehicle service. It is purpose-built and manufactured with the same quality control measures as genuine Spicer® gearing, and backed by an outstanding warranty.
Dana Engineered for the Lifespan of your Vehicle.

As vehicles progress beyond factory warranty, your product choices may change. Spicer Select™ commercial vehicle 404 ring and pinion gearing by Dana is built for older vehicles that still have an important job to do.

The Spicer Select™ solution is simple: To provide quality-built all-makes parts that are backed by the Dana name you know and trust. Parts that are designed for exceptional fit and easy installation to maximize uptime.

Choose the parts with proven quality and a superior warranty, parts you can trust to keep vehicles confidently in service. Choose Spicer Select™ all-makes drivetrain parts by Dana.

**Proven Manufacturing Process**
- Manufactured in the same plant, with the same quality control measures, as Genuine Spicer gearing
- Heat treatment processes and materials identical to OE Spicer gears
- Backed by Dana’s OE experience and 100+ years of driveline expertise
- Patented 5-axis cutting

**Dana-Backed Quality**
- 18-month 100,000-mile warranty

**The Efficient and Economical Choice**
- Stocking in Crossville, Tennessee means a short lead time
- Same-day or next-day shipping available in most cases
- Priced competitively
- No minimum order quantity

**Spicer Select™ 404 Gearing Features and Benefits:**

- High cycle gear fatigue testing data proves that Spicer Select™ 404 gearing achieves a significantly greater number of cycles before failure than the leading competitor.

**Proven Superior: 9 Times Better**
